

This year's grad photos include:

- Extended length photo shoot
- 300 photos or more taken
- Casual and formal
- 18 proofs to choose from
- No sitting fee
- No obligation to buy

How It Works

- All grads will be booked for a free photo shoot. If you need to re-schedule that time, just contact your photographer.
- Most shoots happen Oct & Nov, during block 1. If you have a core class during block 1, then a time after school has been booked for you.
- Show up early to your shoot. Wear medium to dark solid colours. Bring various outfits, if you want.
- Remember to bring a prop, a hockey stick, volleyball, something special to you. Let us know if it's going to be big, dirty, or alive!
- About 3 weeks after your shoot, you will receive 18 proofs and an order form.
- If you decide to place an order, get your form to your photographer, and payment to the office within 2 weeks of getting your proofs and get discounts up to \$25.
- When your pictures are ready, we will give them to you at the school. If there are any problems, your photographer will take care of it right away.

If you don't want to do the full free sitting, that's OK, but please book an appointment for a 10 minute shoot for the Grad book & wall composite.

All portraits in this pamphlet were taken by our student photographers.

BCHS Portrait Photography

Come see us if you have a style of picture that you wish to match.

Our dynamic team of energetic student photographers will bring out the very best in you, capturing both traditional portraits and some fun style images.

Extended length photo shoot!

Far more chance to get that perfect photo!

BCHS Portrait Photography will do at least a 40 minute photo shoot at the school. We adjust for what you are wearing, the colour of your hair, your height, anything that makes a better portrait for you.

We take you through casual and formal poses, and do contemporary and classic lighting and cropping.

In fact, we will guarantee to provide you the shot you want!

If you're not satisfied with a photo out of your 18 proofs, then we will meet with you about what you would like to see, and will gladly do an other shoot, totally for free.

Benefits

- Photos can be scheduled throughout the first semester to better suit your schedule & budget.

- We usually take over 300 pictures in multiple poses and attire, but if that's not what you want, let us know. We can cut it down or ramp it up to whatever you wish.

- Having people in school dealing with your photos allows for far better communication to get you the pictures you want.

- Package prices are 25% less than previous companies.

Classic Portraiture
